Our Vision and Values

Our school vision and values are very important to us and they are a key part of our shared identity. Parents are a much-valued part of our learning community so we would like to remind you of these:

Our Vision

We will ensure that our children have the best educational experience it is possible to have and, as a result, are fully prepared for life beyond our school. We want our children to understand their faith, to articulate their values and to be able to act in a way which reflects these. Our school is at the heart of the community, which it serves; we create children who are ready to contribute and improve themselves, those around them and the places we live.
